**2004 Milestones**

The State of Mississippi embarked on the 2004 Federal Election Cycle with great anticipation to improve elections administration and voting opportunities for all Mississippians. With the adoption of Mississippi's HAVA compliance plan in August 2003, the Secretary of State's Office launched efforts to bring all elections into HAVA compliance not simply federal elections. We reached several major milestones in 2004, including:

- ✓ Passed the State Help America Vote Act Compliance Law (Senate Bill 2857, 2004 Regular Session)
- ✓ Implemented an Administrative Complaint Procedure as required by §§ 254(a)(9) and 402
- ✓ Modified our state's affidavit balloting procedure to become fully compliant with HAVA's provisional balloting procedures
- ✓ Conducted polling place accessibility surveys for most counties in Mississippi
- ✓ Finalized procurement of the statewide voter registry and elections management system
- ✓ Conducted targeted poll manager training sessions for local elections officials
- ✓ Secured required state match funds for federal HAVA funds
- ✓ Implemented a fax/e-mail balloting procedure by administrative rule for military personnel overseas
- ✓ Developed a voter verification process with our state Department of Public Safety
- ✓ Launched a public awareness media campaign to introduce voters to Help America Vote Act requirements
- ✓ Developed alternative language materials for Choctaw-speaking Native Americans
- ✓ Created voter education posters for each polling place in Mississippi
- ✓ Published a quarterly newsletter (Eye on Elections) on current events in elections administration
- ✓ Provided training opportunities for local elections officials on federal and state compliance activities and best practices.

Most of these activities were absorbed by existing staff and resources and are not reflected in the following costs assigned to the HAVA funds.

*2004 Status Report on Section 101(b) Help America Vote Act Compliance Activities  
State of Mississippi, Secretary of State Eric Clark*

Fund Administration §101(b)(1)(B)	\$13.14
Training §101(b)(1)(D)	
NASS: HAVA Assessment	\$2,000.00
Poll Worker Video	\$38,494.98
Poll Managers Guide	\$6,237.00
Contractual Training Services	\$4,440.00
Poll Manager Quick Reference Card	\$298.00
Total	\$51,483.12

*Explanations:*

Fund Administration—The Mississippi Treasurer's Office charges periodic administration and maintenance fees to every account under its management.

Training—The Secretary of State's Office created new local election official training guides and videos to assist with poll manager preparations. These included the development and publishing of an eighty-one (81) page Poll Manager's Guide, Poll Manager Training Video, and Quick Reference Card for Challenged Ballots. Additionally, our office used Section 101 funds to assist with HAVA training efforts provided by the National Association of Secretaries of States.

*Status Report on Section 102(a)(2) 2004 Help America Vote Act Compliance Activities  
State of Mississippi  
Secretary of State Eric Clark*

The State of Mississippi obtained a waiver from the 2004 requirement for voting machine replacements until January 1, 2006. The Secretary of State's Office has been aggressively moving forward to meet all Help America Vote Act requirements including passage of Mississippi's HAVA Compliance Law.

During 2004, the State of Mississippi focused its compliance efforts on purchasing a statewide voter registry, voter education efforts, election official training, and other compliance requirements.

In 2005, the State of Mississippi will purchase voting devices to comply with HAVA requirements. Specifically, as provided in the state plan, the state will use 102(a)(2) funds to replace the state's ten (10) punch card systems and eight (8) lever systems with HAVA compliant voting devices.
